

UV performance warranty for Coverplas™ Nets

Coverplas™ Nets are premium products designed for use in viticulture and horticultural crop protection applications.

Netgro Pty Ltd/ Coverplas NZ Ltd (Coverplas) warrants to the initial purchaser that the netting will not suffer from abnormal deterioration from ultra violet exposure, on a prorata basis, for a period of 10 years from the date of installation. This warranty does not include normal fading or mechanical and normal wear and tear.

Where such degradation has been caused by ultra violet radiation and the chemical processes that ultra violet radiation initiates in the plastics and the additives alone, Coverplas will, at its option either replace the netting or supply equivalent netting, or pay the cost of replacing the netting or of acquiring equivalent netting on a pro rata basis.

Coverplas undertakes no responsibility for the quality of the netting except as otherwise provided herein. There is no implied warranty that the netting shall be merchantable. Coverplas assumes no responsibility that the netting will be fit for any particular purpose for which the customer may be buying the netting, except as otherwise provided herein. There is no implied warranty that the netting shall be fit for any particular purpose. The customer acknowledges that he/she is not relying on Coverplas' or its distributors' skill or judgment to select or furnish the netting suitable for any particular purpose and that there is no warranty which extends beyond that provided herein.

Warranty Exclusions

Coverplas's warranty does not cover deterioration of fabric occurring due to any of the following circumstances:

- Incorrect installation of the netting,
- Faulty design or manufacture of any structure or trellis to which the netting is attached,
- Incorrect application of netting or damage caused by netting applicators,
- Improper storing and handling or use of the netting or use contrary to the specifications for the netting,
- Direct or indirect exposure to pollution, chemicals, solvents, cleaning agents or other substances,
- Minor visual imperfection due to the manufacturing processes,
- As a result of the negligent act or omission of any person,
- Due to poor handling, misuse, neglect or abuse of the netting.
- Acts of God such as storms, hailstorm, earthquake, or mechanical damage done by fire, lightning, animals, birds or pests.

Limitation of Liability

Coverplas's obligations and liabilities are expressly and exclusively limited to those set forth herein. Coverplas shall not be liable for direct, indirect, incidental, consequential, or special damages, including loss of profits, or other commercial loss, and including claims based on negligence or strict liability, except as otherwise provided for herein. Notwithstanding the foregoing, any liability related to the netting shall be limited to the purchase price of the netting.

As the use and disposal of the netting are beyond Coverplas's control, regardless of any assistance provided, Coverplas assumes no obligation or liability for the suitability of its products in any specific end use application. It is the customer's responsibility to determine whether Coverplas's products are appropriate for the specific application and complies with any legal and patent regulations.
